

Ncc-035130-18 IT Procurement hardware spend

I would like to request a complete list of suppliers/contractors and consultants that have been used over the past year when procuring I.T. hardware and the total spend on Information Technology hardware during the past year. Also could you break this hardware spend down to show what brands of servers, networking and desktop hardware were purchased with a spend amount in each category

Dear Requester,

Further to your recent request for information under the Freedom of Information Act.

We have attached a spreadsheet showing all details. NB; *We will not be able to break this down into brands as the limitations of our reporting systems does not capture the financial data in this way, added to which this would be a security concern and risk to divulge what technology brands we use within our infrastructure and so be exempt under the Act.*

We trust this now resolves your enquiry, however should you have any further queries please do not hesitate to contact me directly on the details below.

Nottinghamshire County Council regularly publishes previous FOIR,s and answers on its website, under Disclosure logs. (see link)

<http://site.nottinghamshire.gov.uk/thecouncil/democracy/freedom-of-information/disclosure-log/>

You can use the search facility using keywords.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to the Team Manager, Complaints and Information Team, County Hall, West Bridgford, Nottingham, NG2 7QP or email complaints@nottscc.gov.uk .
