For Nottinghamshire community schools, the standard admission oversubscription criteria are detailed in the *Admissions to schools: guide for parents*.

The application breakdown summary at the back of this document is based on information on national offer day 1 March 2017. For academy, foundation and voluntary aided schools which were oversubscribed in Year 7 for 2017/2018 it is not possible to list the criterion under which each application was granted or refused as the criteria for each of these schools is different and is applied by the individual admission authority. For details of allocation of places, please contact the school for further information.

2. Children of members of staff who are employed by Chilwell School. This constitutes any adult employed on a permanent full or part time basis by the governing body of Chilwell School for two or more years at the time the application for admission is made OR a member of staff who has been recruited to fill a vacant post for which there is a demonstrable skills shortage.

In the event of two distances being exactly equal resulting in the PAN being exceeded then random allocation by lot will be conducted by a body independent of Chilwell School.

Year 12

Admissions into the Sixth Form will be allocated to those who have applied by the closing date taking regard to the following factors set out in order of priority:

1. Students in public care who are 'looked after' or adopted at the time an application for admission is made and who the local authority confirm will still be 'looked after' or adopted at the time of admission to school
2. Pupils transferring from within Chilwell School who meet the school's minimum entry requirements; such students are guaranteed a place irrespective of numbers
3. Pupils transferring from other schools who meet the school's minimum entry requirements (At least 40 places will be available for pupils transferring from other schools)

In the event of there being more applicants than places available in 3 above, the deciding factors will be, in order of priority:

- (i) Whether there is a brother or sister on Chilwell School roll at the time of entry to the Sixth Form. Where applications are received in respect of twins, triplets or children of other multiple births we will endeavour to offer the relevant number of places admitting above the planned admission number where appropriate.
- (ii) Pupils who live nearest to the school 'as the crow flies' with distances measured from the entrance to the pupil's home to the principal entrance of the main administrative building of the school. In the event of two distances being exactly equal resulting in the PAN being exceeded then random allocation by lot will be conducted by a body independent of Chilwell School.

A more comprehensive definition of looked after children can be found in the Admissions Code of Practice, para. 1.7 and the accompanying footnote.
2. Children who live in the catchment area and who attend a linked school at the time of the closing date for applications in the year preceding admission to secondary school. 3. Children who live in the catchment area at the time of the closing date for applications in the year preceding admission to secondary school. Places will be allocated in the first instance to children who, at the time of admission, will have a sibling attending the school in years 7-11.

The parents of those students whose entry is to be based on technological aptitude will be required to present their child for the assessment (one hour) at the West Bridgford School in the year preceding entry, details of which will be published within the school's prospectus.
5. Children who live outside the catchment area and who attend a linked school at the time of the closing date for applications in the year preceding admission to secondary school. Places will be allocated in the first instance to children who, at the time of admission, will have a sibling attending the West Bridgford School in years 7-11.

2. Children who already attend the school and meet the academic entry criteria.
3. Children who do not presently attend the school and meet the academic entry criteria. In the event of an over-subscription of the above criteria, proximity to the school will be used with those living nearer being given priority.
