

Freedom of information request NCC-034825-18

Thank you for your recent Freedom of information request for the following information:

1. Are you the local authority responsible for streetlights in your area? (If no, please go directly to question 7) Yes
2. Have you, or are you in the process of changing your streetlights to LED lighting? If so, please can you tell me how many lights or the percentage of lights which are now LED. Nottinghamshire County Council can advise some of the information you have requested is reasonable accessible to the applicant under Section 21 of the freedom of information act via the following link: <https://www.nottinghamshire.gov.uk/council-and-democracy/freedom-of-information/disclosure-log/led-street-lighting-in-nottinghamshire>
3. If you have or are changing your streetlights to LEDs can you give estimates for:
 - a. the amount of CO2 saved annually compared to the old lighting
12,000 Tonnes
 - b. the amount of money saved annually compared to the old lighting
£1,500,000
4. If you have not changed your lighting to LEDs please can you say what the main barriers (eg, cost) are to doing so.
5. Do you operate a system of either dimming or switching off streetlights for some of the hours of darkness? If so, please give details (times/percentage of lights etc)

Dimmed 22:00 -07:00 = 59%

Dimmed 19:00 – 0700 = 2%

Switched Off = 0.6%

6. If you operate such a system, can you give estimates for:
 - a. The amount of CO2 saved annually from the system
12,000 Tonnes
 - b. The amount of money saved annually from the system.
£1,500,000

7. How many street light electric vehicle charging points are there in your area?

None

I trust this information is of assistance to you.
