

NCC-036016-18 Structure Communications/media team

Dear FOI team,

I would like to request, under the Freedom of Information Act, a full structure chart of your Communications Team, including roles, responsibilities and salaries. For clarification, the term 'communications' includes press, marketing, public relations and digital communications, and **does not** include telecommunications.

Many thanks,

Dear Requester,

Further to your recent request for information, please see attached PDF document showing the structure.

In terms of providing the details on all the roles, responsibilities and salaries this would take longer than the permitted appropriate limit (*Section 12) of the Freedom of Information Act allows public authorities to refuse to answer requests for information if the cost of complying would exceed the 'appropriate limit' prescribed in the Fees Regulations (SI 2004/3244.*

Having estimated this by the relevant staff this was agreed to be over 2.5 days The information requested could identify individuals as deemed personal information and so is exempt under the act sec.40(3A) *The first condition is that the disclosure of the information to a member of the public otherwise than under this Act—*

(a) would contravene any of the data protection principles)
