

NCC-035985-18 Number of Romanian residents

Dear Sir/Madam,

I am writing to you to request information under the Freedom of Information Act 2000.

Please provide the number of Romanian Nationals resident in Nottinghamshire.

Should you not have this information, please provide an estimate.

If you are unable to provide an overall estimate, please provide partial figures on the number of Romanian Nationals that you have data on; such as (but not limited to) employment, enrolment in education, registration on electoral rolls etc.

I would like the above information to be emailed to me as a digital document.

If you are unable to provide a response, or if you find the request too unclear, I would be grateful for advice and assistance in refining my query.

Thank you for your time, and I look forward to your response.

Best wishes,

Dear Requester,

Further to your recent Freedom of information request, please see below in response.

- For Unaccompanied Asylum Seeking Children (UASC) in our care we record country of origin but have no records of UASCs from Romania.
- Other social care records include ethnicity, but not nationality so no other data available on children's or adults social care users.
- The school census no longer collects nationality or nation of birth and schools have been informed that 'Schools must no longer request this information from parents, or retain the data within their system'.

We are not aware of any other data held which would identify the nationality of our residents or service users.

You may also be able to find information from the Department for Work and Pensions.

We can see from these figures for 2017/18 show that 1,136 people from Romania registered for NI purposes in the seven LAD's within Nottinghamshire with a further 994 registering in Nottingham City.

It should be noted that the figures are for adults only and for the area in which they first registered.

We trust this now resolves your enquiry, in the interim however should you have any further queries please do not hesitate to contact me directly on the details below.
