

Nottinghamshire County Council

The Nottinghamshire Outstanding Achievement 4Uth Award 2019

Information for people wishing to make a nomination

The Nottinghamshire Outstanding Achievement 4Uth Award is a Nottinghamshire County Council initiative to celebrate the achievements of young people across the county.

We are looking for nominations for the award from members of the public including friends and family members along with schools, youth groups, and voluntary organisations.

The award is about young people being the best they can be in terms of reaching their own personal potential. To be nominated a young person must fulfil the following criteria.

1. The young person must live in one of the seven County Council districts. This does not include those living within the Nottingham City boundaries.
2. Nominees must be at least old enough to be in Year 6 at school and no older than 19 (the maximum age for disabled young people is 25). Please note only nominations for individuals will be accepted. We will not consider nominations for groups.
3. Young people should be nominated because they have achieved at an outstanding level within their own personal boundaries. For example a young person who has excelled in activities around art and dance may find themselves being considered for the award alongside another young person who has surpassed all expectations in the field of sport. Equally the award may be presented to someone who has overcome a number of barriers to achieve academically or someone else who has made an outstanding contribution to their community.

4. The young person and their parent or guardian (if aged under 18) gives consent to be involved in media coverage relating to the award.

Panels of young people and adults will meet in each district during July and August. The panels will look at all the nominations from their district and select a local winner to go forward for the county award.

The seven local winners will then be considered by a final judges panel which will include the Leader of Nottinghamshire County Council, other senior politicians, the Chairperson of Nottinghamshire County Council's Young People's Board and last year's winner of the award.

The winner of the award will be announced at an event at County Hall 22nd November 2019 to which the seven local winner and guests will be invited.

**First prize
will be £250**
in vouchers of the
winner's choice

Deadline for nominations is Friday 21st June 2019
