**Request for Information: Ref NCC-036091-18
Contractor usage across Nottinghamshire County Council**

Thank you for your request for information relating to contractor usage. I can now let you have the following information in response to the questions you raised.

How many contractors you have engaged on an OUTSIDE IR35 basis in 2018, their job title and what area of the business they were engaged in.

How many ICT contractors across all areas of the business were engaged on a temporary contract basis, what their job titles were and how much was spent on the engagement of these?

In 2018 (which I have taken to mean the calendar year) we used 51 contractors

22	Helpdesk
2	Network engineer
27	Project manager

At a cost of £1,422,495. No contractors engaged outside of IR35
