

NCC-037580-19 Neuro rehab adults- update

Dear Requester,

Please see further communication from department/staff. Which may be of further help. (in red)

Kind Regards

Alison Fletcher

Dear Sir or Madam,

Under the Freedom of Information Act 2000, I would like to request the following information regarding adult neuro-rehabilitation. **Please provide answers on the attached and accompanying spreadsheet.**

For the avoidance of doubt, when referring to the term 'neuro-rehabilitation', please include; brain injury (including acquired brain injury and traumatic brain injury) spinal injury, neurological conditions (including but not limited to Parkinson's Disease, multiple sclerosis, motor neurone disease and Huntington's Disease), stroke, neurobehavioural rehabilitation and cognitive rehabilitation. This list is meant as a guide and is by no means exhaustive.

For all questions, please **only provide information on individuals who are solely funded by the Council.**

1. Please provide the name, job title, email address and telephone number of the commissioner with responsibility for neuro-rehabilitation placements (if more than one person is responsible, please provide the details of all responsible for making the placements).

Mercy Lett-Charnock Commissioning Manager, mercy.lett-charnock@nottsc.gov.uk 0115 977 3073

Jane Cashmore Commissioning Manager, jane.cashmore@nottsc.gov.uk 0115

9773922

2. Please provide (a.) the **total number** of adults (aged 18 and over) funded by the Council for post-acute neuro-rehabilitation, and (b.) the **total expenditure** on those adults: (Please

provide the total number of adults funded throughout the year, **Not** a snapshot at a certain time. Please provide figures for the past five financial years and budgeted figures for the current financial year (2019/20)) **NCC is unable to answer this question as commissioning within social care is not based on condition specific needs but rather people's holistic care and support needs. Where someone has predominantly condition specific needs the Clinical Commissioning Groups would take responsibility.**

3. Of the total number of adults funded by the Council for post-acute neuro-rehabilitation (question 2a), please provide the **number of adults who are funded for each of the following types of placement:** (Please provide the total number of adults funded throughout the year, **Not** a snapshot at a certain time. Please provide figures for the past five financial years and budgeted figures for the current financial year (2019/20))

a. Independent specialist neuro-rehabilitation care home placements (non-hospital)

As above, the Council does not provide services or record information in this way.

b. Independent specialist neuro-rehabilitation community placements (by community placements, I mean where the services funded are delivered in a person's own home)

As above, the Council does not provide services or record information in this way.

4. Please provide the **gross total expenditure** on the adults funded by the Council in the following placements (as detailed in question 3): (please provide figures for the past five financial years and budgeted figures for the current financial year (2019/20))

a. Independent specialist neuro-rehabilitation care home placements (non-hospital)

As above, not available.

b. Independent specialist neuro-rehabilitation community placements (by community placements, I mean where the services funded are delivered in a person's own home)

As above, not available.

5. Please provide a list of the **independent providers** with whom placements are made for in each of the following placement type: (please provide a list of providers used during 2018/19)

a. Independent specialist neuro-rehabilitation care home placements (non-hospital)

The below homes have had placements made of individuals who have some of the neurological needs described during 2018/2019.

The Huntercombe Centre - <https://www.cqc.org.uk/location/1-280143970>

Pathfinders Neurological Care - <https://www.cqc.org.uk/location/1-126973202>

The information provided is based on placement information available from the Dynamic Purchasing System, however please note this will not be an exhaustive list of providers and placements made

because as described above, commissioning within social care is not based on condition specific needs but rather people's holistic care and support needs.

- b. Independent specialist neuro-rehabilitation community placements (by community placements, I mean where the services funded are delivered in a person's own home)
Condition specific specialist provision is not commissioned

6. Please provide the current **average weekly expenditure per individual** for adults funded by the Council in the following placements:

- a. Independent specialist neuro-rehabilitation care home placements (non-hospital)
not available at this time
- b. Independent specialist neuro-rehabilitation community placements (by community placements, I mean where the services funded are delivered in a person's own home)
Condition specific specialist provision is not commissioned

7. Please provide the **total number of adults funded** by the Council for post-acute neuro-rehabilitation who are funded for each of the following types of placements **as a snapshot as at 31 March** of each year: (Please provide figures at 31 March for the past five financial years and budgeted figures for the current financial year (2019/20))

- a. Independent specialist neuro-rehabilitation care home placements (non-hospital)
As per question 2, the Council does not commission or record information in this way as social care needs are broader than any condition specific needs.
- b. Independent specialist neuro-rehabilitation community placements (by community placements, I mean where the services funded are delivered in a person's own home)
as above

8. Of the total number of adults funded by the Council for independent specialist neuro-rehabilitation care home placements (non-hospital) at 31 March of each year (question 7a.) please provide the **number who are receiving treatment in each of the following locations**: (Please provide figures as a snapshot as at 31 March of each year. Please provide figures for the past five financial years and budgeted figures for the current financial year (2019/20))

- a. Independent specialist neuro-rehabilitation care homes As per question 2, the Council does not commission or record information in this way as social care needs are broader than any condition specific needs.
- b. Other independent services (eg elderly nursing homes, care homes for adults with disabilities etc) As per question 2, the Council does not commission or record information in this way as social care needs are broader than any condition specific needs.
