

I would like to have information in relation to the amount the Council received for highways and a breakdown of how this was spent for the year 2018-19.

Thank you for your Freedom of Information Request.

The response from the department concerned is as follows:

For Financial Year 2018-19 the Highways Contract with Via East Midlands had a budget of £18.4m with an out-turn of £18.7m an overspend of £0.3m.

This contract was for the repair and maintenance of Bridges, Drains and verges; along with Footway and Carriageway Patching, traffic and signals works and winter maintenance. The overspend was due particularly to winter maintenance, and the costs involved with gritting vehicles and salt stocks.

For the retained Highways client budget the main spend is on Street Lighting which had a budget of £4.2m and out-turn of £3.86m – an under-spend of £0.34m.

This was due to the positive impact of LED replacement bulbs in lighting columns throughout the county.

I hope this now satisfies your request, and should you have any further enquiries please do not hesitate to contact me directly on the details below.

In addition to this and for future reference Nottingham County Council regularly publishes previous FOIR,s and answers on its website, under Disclosure logs. (see link)
