

Dear Requester

Thank you for your request for information about Nottinghamshire County Councils Statement of Community Involvement.

You asked:

- Can you confirm as to whether your local authority has a Statement of Community Involvement?
- Can you confirm when the authority published the Statement of Community Involvement?
- When is your next expected consultation/update?
- Do you have a publicly available link to the SCI?
- Is the local Civic Society or Civic Trust identified by the local planning authority as a Consultee (whether Statutory or Non-Statutory) in the Planning System within the Statement of Community Involvement?

Please find the link below to our Statement of Community Involvement

The current version of the Council's SCI was adopted on 28th March 2018, the document states that it will be reviewed within the next five years and in terms of specific consultees, these are set out in the tables at the end of the document. These tables relate to consultees for planning applications and development plan documents.
