

Dear Requester,

Further to your request for information under the freedom of information act, please see below and attached.

Nottingham Road, Trowell, is a long road and hence broken down into sections within the Highway Asset Management System (HAMS). The following plan details the Street/Street Section breakdown and below this the inspection frequencies for each street section. This should be used along with the attached Street History Report, which details the information requested in part one of the enquiry.

With regard to part two the following link provides access to the Highway Inspection & Risk Manual which is the policy behind the associated questions:
