

Dear

Thank you for your request for information about spatial data relating to deposits made under Section 31(6) of the Highways Act which shows the boundary for each deposit.

I am advised that we don't have a spatial layer for s31 deposits. However please find below a link to our online register;

I hope that you find this information to be helpful, however if you are unhappy with the way in which your request has been handled, then please email us at foi@nottscc.gov.uk quoting the reference NCC-039006-19 and we will be happy to review your request

With kind regards
