

**NCC-039921-19 facial recognition technology**

Dear Requester,

Further to your request for information under the freedom of information act, we have no implementations of facial recognition tech in the Authority.

We have some ongoing Research and Development activity with regards to Windows Hello that uses this type of technology but this does not impact on the general public.

I have not been informed about any other organisations implementations of facial recognition technology.

We trust this now resolves your enquiry, however should you have any further queries please do not hesitate to contact me directly on the details below.

Nottinghamshire County Council regularly publishes previous FOIR,s and answers on its website, under Disclosure logs. (see link)

You can use the search facility using keywords.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to the Team Manager, Complaints and Information Team, County Hall, West Bridgford, Nottingham, NG2 7QP or email
