

**NCC-039513-19 street light no;4 north end Farndon**

Dear Requester,

Further to your Freedom of Information request regarding the above subject.

We have reviewed our records and we have nothing indicating that NCC or Via East Midlands have moved this lighting unit. There are no enquiries on record of any external 3<sup>rd</sup> party having requested or being given permission to move this light column. From our mapping records and as shown on Google Maps 2009, it is clear that the column has been moved sometime over the last decade. Electrically the column is safe so whoever undertook the move did not comprise the unit.

Whilst you identify that the column was moved, along with the street name plate by someone associated with the #####, this is not sufficient for us to follow up on in any detail. In such cases, without sufficient evidence or actually attending site when the action is being taken, there are limits to what we are able to do legally. Our primary concern is always the safety of such units particularly the electrical competency of the individuals undertaking the work.

A recent inspection of the column has shown that all the necessary wiring and components are fitted correctly and hence there is no electrical issue with the installation. With regard to the column position, having the units set back a little further means that is less likely to be struck by vehicles using the road and hence if we had been approached, we would have endorsed the move but at the 3<sup>rd</sup> parties expense.

I hope this information is of assistance to you.

We trust this now resolves your enquiry, however should you have any further queries please do not hesitate to contact me directly on the details below.

Dear Sirs

We would like to know if there was a request for street light no.4 in North End, Farndon, to be moved back from it's original position, and if the request was carried out by yourselves. If not, do you know who did move it, as we were informed yesterday by ##### that he had it moved. Also he said he had the road sign for North End moved.

Many thanks

Yours sincerely

(Farndon residents)
