Dear all

I am currently working on a project to better understand the usage of the apprenticeship levy within Local & National Government and relevant government subsidiaries. With that in mind I am submitting this FOI request for the following:

- What was your usage (in terms of new apprenticeship starts paid by the levy) for a)17/18 and b)18/19 budget sessions. Where possible, with regards to GDPR, we would like this information/data to be broken down per individual Apprenticeship Standard / Framework to better understand the particular trends.
  - The level of detail I am hoping for would be:
    - Standard / Framework Name
    - Level of Apprenticeship
    - Number of individual starts for both
      - 17/18 budget period
      - 18/19 budget period
- Where possible if you could complete the data as demonstrated with the 5 examples below. I have attached the format should this be convenient for you that would be highly appreciated.

	Standard/Framework Name	Type	Level	17/18 Starts	18/19 Starts
Example	Business Administrator	Standard	3	12	17
Example	Business and Administration	Framework	2	22	14
Example	Children, Young People & Families Practitioner	Standard	4	0	4
Example	Senior Leader	Standard	7	2	7
Example	Children and Young People's Workforce	Framework	2	7	6

Thanks in advance
