

Dear

I am writing to you in reply to your Freedom of Information Act (FOIA) request to Nottinghamshire County Council. I have the following information about Netherfield Lane, NG22 9EW.

A copy of your current road maintenance policy relating to that road.

The attached 'Highways Inspection & Risk Manual' details the maintenance policy, defect identification and repairs.

A copy of the road repair history for that road over the past year. Again, please send me the full road repair history, but this should include:

dates of all safety inspections between 3/10/2019 and 01/11/2019 inclusive of these dates.

See attached Street History report. Please note that personal information has been redacted in accordance with FOIA Section 40.

Details of how safety inspections were undertaken (walked or driven, speed of inspection vehicle etc).

The means of undertaking inspections is contained in the attached Highway Inspection & Risk Manual.

Details of all carriageway defects identified, with description, date and time.

See attached Street History report.

Details of how the authority handled these defects, what repairs were undertaken and the time between the identification of each defect and a repair being carried out.

See attached Street History report.

If you have any queries or concerns then please contact me. Please remember to quote the reference number above in any future communications.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to the Team Manager, Complaints and Information Team, County Hall, West Bridgford, Nottingham, NG2 7QP or e-mail foi@nottscc.gov.uk.
