

Dear Requester

Request for Information: Ref NCC-042355-19

Thank you for your request for information relating to [CYP]

I can confirm that the Council holds this information, please see attached response and policy.

However, part of this information is not recorded centrally in a way that would allow us to readily extract it and it would require a manual search of individual records to identify the detail you have requested.

You may be aware that there is a statutory limit to the amount of time authorities are required to spend retrieving and collating information in order to respond to a request. This is defined in the Fees and Appropriate Limit Regulations and currently stands at 2.5 days or 18 hours. We estimate that it will take one officer in excess of 2.5 days to locate the information you have requested.

It would involve looking through all the agendas for that year and cross-checking with the child's personal files. In 2018-19, there were 79 Fair Access panels held, each with their own agenda. These hold up to 25 children on them that would need to be extracted. We estimate for one officer to do this would exceed the appropriate limit under the act.

Under Section 12 of the Freedom of Information Act we are not obliged to process requests that exceed this limit.

If you can narrow the scope of your request in some way we may be able to provide some information, although I cannot guarantee that this will be the case. For instance [offer ways to refine the request if possible eg 2 years instead of 5, a distinct area of the county instead of countywide etc) **Any refined request we receive will be treated as a new request.**

I am sorry that I cannot be more helpful in the parts of the request you have asked for.

We trust the answered questions, now resolves your enquiry.

However should you have any further queries please do not hesitate to contact me directly on the details below.

We suggest all requesters search under our publication scheme in advance of requesting information under the freedom of information act.

Nottinghamshire County Council regularly publishes previous FOIR, s and answers on its website, under Disclosure logs. (see link)
