Dispose/recycle batteries and small electrical goods

Thank you for your request for information relating to how we dispose/recycle batteries and small electrical goods that are collected at the kerbside by district authorities. I can now let you have the following information (in response to the questions you raised).

**How do you dispose of batteries/small electricals?** They are disposed of by our waste PFI contract provider, Veolia through the Veolia Compliance Scheme.

**What is the cost of disposal for batteries/small electricals?** The cost to the authority is nil as they are dealt with as Waste Electrical and Electronic Equipment Directive (WEEE) through the Veolia Compliance Scheme.

**Do you give recycling credits to districts for collecting these? (Also how much are the credits per tonne?)** The County Council arranges for the disposal of these items so does not pay recycling credits for these items.

We hope this now satisfies your request, and should you have any further enquiries please do not hesitate to contact me directly using the contact details below. In addition and for future reference Nottinghamshire County Council regularly publish previous Freedom of Information Requests and answers on our website, under Disclosure logs, available at the following link:

<http://site.nottinghamshire.gov.uk/thecouncil/democracy/freedom-of-information/disclosure-log/>

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to the Team Manager, Complaints and Information Team, County Hall, West Bridgford, Nottingham, NG2 7QP or email [complaints@nottscc.gov.uk](mailto:complaints@nottscc.gov.uk).

Yours sincerely
