Request for Information: Ref NCC-037774-19

Street lights

Thank you for your request for information relating to street lighting. I can now let you have the following information in response to the questions you raised.

Information Request to provide me with all documentation on street lighting upgrades in my street, Low Road, in Scrooby and throughout Nottinghamshire. To include full specifications and technical information. Re: Are transmitters and receivers in new or existing LED street lights in Nottinghamshire, 5G enabled? Or are any plans to install 5G enabled in the future

NCC will be upgrading all low-pressure sodium (orange glowing) street lights to LED in Scrooby in the near future. Due to the Mayflower celebration taking place in 2020, Scrooby Parish Council have applied for a special grant for various highway upgrades in the village and this may include lighting. To ensure we don't impede on these plans we have put works on hold for the time being. We have already replaced approx. 58,000 street lights to LED around the County and are working through the remainder of our street lighting stock.

None of our LED street lights in Nottinghamshire have transmitters or receivers in them that enable 5G and we have no current plans to install any 5G equipment in any of our street lights. NCC are working on developing a business plan for 5G coverage in Nottinghamshire and utilising street lighting would be considered as an opportunity

We hope this now satisfies your request, and should you have any further enquiries please do not hesitate to contact me directly using the contact details below. In addition and for future reference Nottinghamshire County Council regularly publish previous Freedom of Information Requests and answers on our website, [click here](#) to see the Disclosure logs.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to the

Team Manager,
Complaints and Information Team, County Hall, West Bridgford,
Nottingham,
NG2 7QP or email: FOI@nottsc.gov.uk.

Yours sincerely
