

**HUCKNALL NATIONAL CHURCH OF ENGLAND
(VA) PRIMARY SCHOOL**

**ADMISSIONS POLICY
2021-2022**

Hucknall National Church of England Voluntary Aided Primary School

Admissions to school are the responsibility of the Governing Body through its Pupil, Personnel and Admissions committee and are administered in accordance with the Nottinghamshire County Council's Co-ordinated Admissions Scheme. All applications should be made to the home Local Authority and will be considered in line with the timelines set out in Nottinghamshire County Council's co-ordinated scheme.

First Admissions

For first admissions the Governors' committee will meet after the closing date to rank places according to the criteria outlined below, placing children in order of priority against the oversubscription criteria. In the event of there being more applications than places available, those children not allocated places will be refused admission and placed on a waiting list (see below). Late applications will be considered after all other on time applications.

Deferred entry to school

Children will be offered a full time place in school for the September following their 4th birthday. Parents may choose to defer their child's entry until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which the application was made. Parents can also choose for their child to attend part-time until later in the school year but not beyond the point at which they reach compulsory school age. Where entry is deferred, the school will hold the place for that child and not offer it to another child. Further information on summer born children is available at www.nottinghamshire.gov.uk or by visiting the DFE Schools Admissions Code (2.16)

In year and casual Applications

For in-year applications (i.e. to year groups apart from the first admission at Foundation year) parents may apply for a place using the Home LA application form. If there are no available places (i.e. year group is up to the Planned Admission Number) then applications will be refused and parents given information about the right to appeal. Applications which have been refused will be placed on the waiting list (see below). If there are more applications than places available (i.e. a year group is under the Planned Admission Number) then applications will be considered by the Governors' Committee and places allocated in accordance with the oversubscription criteria. The school will liaise with the Local Authority on admissions and in accordance with the timeline set out in the coordinated scheme available at www.nottinghamshire.gov.uk/education/school-admissions2021-2022

Waiting Lists

For first admissions the waiting list will open on the offer day and will close on 31st December in the same year.

For in year or casual applications (for all other year groups) the waiting list will remain open until the end of that academic year (i.e. 31st August)

All applications on the waiting lists will be held in ranked order according to the published over subscription criteria. Every application added to the waiting list will be ranked in accordance with this and will not be based on the date the application was received or their name was added to the list.

Parents may seek a place for their child outside of their normal age group, eg if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than Year 1.

Decisions will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parents' views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. They will also take into account the views of the Head Teacher of the school.

The following arrangements were agreed by Governors for admission to the school from Sept 2021.

ADMISSIONS ARRANGEMENTS FOR 2021-22

The published admission number is 60 children per year. In the event of over-subscription, all applications for the reception year 2021-22 will be considered strictly in accordance with the admission criteria, as set out below. Children who are allocated a place will be admitted in September 2021.

To support applications made in accordance with Criteria 2 & 4 below (see note on Evidence) a **Supplementary Information Form (white) and a Place of Worship Reference form (blue)** which are available from school should also be completed and returned by the closing date for applications.

The outcome of applications will be made by the home Local Authority to all parents on the 'national offer day' in April. **ADMISSION OVERSUBSCRIPTION CRITERIA (in order of priority)**

Children who have a Statement of Special Educational Needs or Educational Health and Care Plan which names the school will be admitted. This will reduce the number of places available to other applicants. A Statement of Special Educational Needs is a statement made by the Local Authority under Section 324 of the Education Act 1996 specifying the special educational provision required for that child. An Educational Health and Care Plan is a plan made by the Local Authority under Section 37 of the Children and Families Act 2014 specifying the special education provision required for that child.

1. Looked after children. A "looked after child" is a child who is (a) in the care of the Local Authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with Section 22(1) of the Children Act 1989 at the time of making an application to the school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted, or became subject to a child arrangements order or special guardianship order. This includes children who were adopted under the Adoption Act 1976 and children who were adopted under section 46 of the Adoption and Children Act 2002.

Child arrangements orders are defined in Section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22nd April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians). Children looked after by a local authority and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

2. Children whose parent(s) are **communicant** members of the Church of England or a church that is a member of "Churches Together in England" or the Evangelical Alliance and have attended worship at least twice per calendar month for the past two years, or where the child has been admitted to communion, in the Church of England, before confirmation.

(please refer to statements on Definition, Interpretation and Evidence below)

3. Children who have a sibling (brother or sister) at Hucknall National Primary School at the time of admission.

4a. Children whose parent(s) have attended worship at a Church of England church or a church that is a member of "Churches together in England" or the Evangelical Alliance.

4b. Children whose parent(s) have attended worship at a place of worship which follows the teachings of one of the major world faiths (Buddhism, Hinduism, Islam, Judaism, Sikhism)

Places in this category will be allocated according to the degree of involvement which will be determined by consideration of the evidence given on the Place of Worship Reference Form and will be categorised in priority order according to the following divisions;

- i. Attending for worship at least twice per calendar month for the past two years
- ii. Attending for worship at least twice per calendar month for the past one year

(please refer to statements on Definition, Interpretation and Evidence below)

5. Children living nearest to the school at the time of application. Distances will be measured "as the crow flies" from the child's home address to the main entrance of the school using Nottinghamshire County Council's computerised distance measuring software. If two distances are found to be equal, then lots will be drawn by an independent person.

In the event of oversubscription within any of the above criterion where applications are deemed equal, priority will be given to children living nearest to the school at the time of application (i.e in accordance with criteria 5.)

Special Circumstances: The following groups of children will be given special consideration in their application to the school. Children whose particular medical needs, mobility support needs, special educational needs or social circumstances are supported by written evidence from a doctor, social worker or other relevant professional stating that the school is the only school which could cater for the child's particular needs. The evidence must be presented at the time of application.

Any application under 'special circumstances' will be considered on its merits and the allocation of any such place will be determined by the school's admissions panel. Cases agreed under 'special circumstances' will take precedence over criteria 2 to 5 above.

Definition and Interpretation

An adoption order is an order under Section 46 of the Adoption and Children Act 2002. A "child arrangement order" is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a "special guardianship order" as an order appointing one or more individuals to be a child's special guardian (or special guardians)

1.7 of the September 2021 School Admissions Code provides a definition of IAPLAC and the new DfE guidance for admission of IAPLAC offers the following:-

"To be eligible for IAPLAC priority, the child must appear (to the admission authority) to have been in state care outside of England (in the care of or accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society) and ceased to be in state care as a result of being adopted."

A communicant member of the Church of England (or another church as listed in category 2 above), means a person who is baptised, is actively involved in the life of the church and has declared him/herself to be a member and is receiving communion as practised in that Church.

The term 'parent' throughout this prospectus and application form is defined as those who have legal responsibility for the upbringing of a child.

A sibling (brother or sister) includes half-brother or half-sister or legally adopted child living at the same address as the child. It also includes a child looked after by a local authority placed in a foster family with other school aged children. It also includes step children or children who are not related but live as a family unit, where parents both live at the same address as the child.

The school will offer places, over and above the planned admission number where the child whose twin or sibling from a multiple birth is admitted. In the case of infant class size, the additional sibling would be an "excepted pupil".

Evidence of Faith

Applications made in accordance with criteria 2 & 4 are required to include written confirmation from their vicar/minister/ or faith leader that the criteria are satisfied. This evidence must be received in school **before the admission closing date**. A Place of Worship Reference form (blue) to submit to your vicar/minister/faith leader is available from the school.

Note: The Governing Body assume that all parents are willing for their children to join in all activities within the Christian ethos of the School (whilst acknowledging parent's legal rights to withdraw their child from certain activities).

Fair Access Protocols

Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced children, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. This includes admitting children above the published admission number to schools that are already full. Hucknall National Primary School participates in the Nottinghamshire Fair Access Scheme.

Right of appeal against a decision to refuse admission

Under the terms of the Education Act 1980, parents have the right to make a formal Appeal against the Governors' decision to refuse admission. The deadline for lodging an appeal allows appellants at least 20 school days from the date of notification that their application was unsuccessful to prepare and lodge their written appeal. To lodge an appeal parents should contact the Education Appeals Manager, Nottinghamshire County Council, County Hall, West Bridgford, Nottingham. NG2 7QP
