

Dear

I am writing to you in reply to your Freedom of Information Act (FOIA) request to Nottinghamshire County Council about the total replacement cost of the county's road network. I have the following information.

Nottinghamshire County Council is the Highway Authority for the county of Nottinghamshire, whilst Nottingham City is a unitary authority and hence the data we are providing purely related to the county. Last year's Gross Replacement Cost (GRC) was evaluated at £10,330,879,000. This valuation was based on the whole Highway Asset including Carriageways, Footways, Structures, Street Lighting, Traffic Management, Street Furniture and Land. Drainage features are built into the calculation model that CIPFA provides.

If you have any queries or concerns then please contact me. Please remember to quote the reference number above in any future communications.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to the Team Manager, Complaints and Information Team, County Hall, West Bridgford, Nottingham, NG2 7QP or e-mail [foi@nottscc.gov.uk](mailto:foi@nottscc.gov.uk).

Yours sincerely
