DOMESTIC ABUSE COVID-19 CAMPAIGN

Information for partners

Measures announced over recent weeks to tackle coronavirus (COVID-19) have drastically altered people's day-to-day lives. Whilst it is essential that the vast majority of people do stay home in order to protect the NHS and save lives, the government acknowledges that the order to stay at home can cause anxiety for those who are experiencing or feel at risk of domestic abuse. **Domestic abuse is unacceptable in any situation, no matter what stresses people are under. There is no excuse for domestic abuse.**

The Home Office has worked with a number of key partners and charities to launch a new national campaign to raise awareness that there is still support available for victims of domestic abuse. Advertising on social media signposts to **gov.uk/domestic-abuse** where victims, perpetrators and members of the public can find out how to get support if they or someone they know may be experiencing domestic abuse. Paid search adverts will also be directing to support and advice.

The campaign launched with a shareable social media ask for people to post the campaign advert and/or share a picture or video of themselves showing the campaign symbol – a hand with a heart symbol in it – and using the campaign hashtag

#YouAreNotAlone, to show solidarity and support for victims of abuse. We hope that supporters and the public will continue to share this message to ensure we are reaching as many people as we can.

Support on the GOV.UK page signposts to organisations such as Refuge who run the National Domestic Abuse Helpline, the Live Fear Free Helpline in Wales, Men's Advice Line, Women's Aid, Galop, Hestia, Imkaan, SafeLives and Respect who run the perpetrator phoneline.

People that are affected by domestic abuse will be harder to reach at this time and we really need your help to promote the campaign and raise awareness of the advice and support available. We have produced some campaign assets, including digital assets, a leaflet and a poster, which are all available to download **here**. **We will continue to update the Brandworkz portal as more assets are created, and we will email you as new assets are added.**

We are grateful for all the support we have received so far from our stakeholders and would appreciate if you could share the campaign assets with your networks and include a link on your website to our GOV.UK campaign page: **gov.uk/domestic-abuse**

If you have any questions or feedback on the campaign, please contact the Home Office campaigns team on domesticabusecampaign@homeoffice.gov.uk
