

NCC-043645-19 street reports A6200 Woodhouse way

Dear Requester,

Further to your request for information, Please see response to the FOI questions below and the related attached Street History Report:

The section of road covered by the Street History is detailed on the Plan below (in purple):

- Dates of all safety inspections undertaken on this section of the carriageway in the last two years.

[See attached Street History Report](#)

- Details of all carriageway defects identified during safety inspections in the last two years

[See attached Street History Report](#)

- Details of how carriageway safety inspections are undertaken, including whether walked or driven, the speed of the inspection vehicle and the number of persons in the vehicle.

The means of undertaking inspections is contained in the Highway Inspection & Risk Manual which can be found at:

<http://www.nottinghamshire.gov.uk/transport/roads/highway-inspection-manual>

- The intended frequency of carriageway safety inspections.

Carriageway Inspection Frequen	Monthly
Footway Inspection Frequency	Annual (once a year)

- Details of all complaints and/or enquiries relating to this section of the carriageway, received in the last two years

See attached Street History Report

- The hierarchy classification.

ACDP - Carriageway Hierarchy	1 - Resilient Network
ACDP - Footway Hierarchy	Local Access Footways

- The road/section number.

Woodhouse Way (A6002) --- USRN (Unique Street Reference Number) 4911713 Section 2000

- The defect intervention criteria adopted in relation to the identification of all categories of carriageway potholes

This information is contained in the Highway Inspection & Risk Manual which can be found at:

<http://www.nottinghamshire.gov.uk/transport/roads/highway-inspection-manual>

- The time period(s) adopted between identification and repair (temporary and permanent) of all categories of carriageway defects.

This depends on the categorisation of repair as detailed in the Highway Inspection & Risk Manual which can be found at:

<http://www.nottinghamshire.gov.uk/transport/roads/highway-inspection-manual>

The category of repair, for each defect, is shown in the Street History Report.

- Whether or not the authority has formally adopted all or part of the standards contained within the national code of practice for highways maintenance management.

The County Council has reviewed the Well Managed Highway Infrastructure: Approved Code of Practise and has incorporated the guidance where appropriate into its policies and procedures.

We trust this now resolves your enquiry, however should you have any further queries please do not hesitate to contact me directly on the details below.

We suggest all requesters search under our publication scheme in advance of requesting information under the freedom of information act.

Nottinghamshire County Council regularly publishes previous FOIR, s and answers on its website, under Disclosure logs. (see link) <http://site.nottinghamshire.gov.uk/thecouncil/democracy/freedom-of-information/disclosure-log/>

You can use the search facility using keywords. i.e. un regulated / care / home etc.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to the Team Manager, Complaints and Information Team, County Hall, West Bridgford, Nottingham, NG2 7QP or email complaints@nottscc.gov.uk .

Kind Regards

Complaints and Information Team

Nottinghamshire County Council

County Hall
