Dear Requester,

Further to your request for information under the freedom of information act, please see below the departments response.

Thank you for the opportunity to be able to confirm the Bikeability funding committed to all Mansfield and Ashfield schools.

We at Nottinghamshire County Council, working in partnership with Via East Midlands Ltd deliver the national standard Bikeability course on behalf of DFT and in accordance with grant funding.

All (infant, primary, secondary, academies and special schools) across Nottinghamshire including Mansfield and Ashfield schools are contacted each Spring (April 2020) and are invited to request bookings for Core Levels 1, 2 and 3 and Bikeability modules for the forthcoming academic year - September 2020 - 2021. All bookings are received and timetabled in accordance with ratios and groups sizes requested. Delivered term-time.

Nottinghamshire CC have delivered the Bikeability scheme since 2006 and continue to deliver the training with fully qualified instructors who are registered on a national database. Currently the scheme operates with approximately 40 instructors.

We trust this now resolves your enquiry and where we have not been able to provide details we expect that this information is not held by Nottinghamshire county Council at this time.

Complaints, Information & Mediation Officer Chief Executive's Department Nottinghamshire County Council County Hall Dear Nottinghamshire County Council,

Please would supply me details of which schools in the areas of Mansfield and Ashfield District Councils do and do not offer Bikeability Training to their pupils.

IF there is a limitation on the levels of bikeability training offered, please would you identify that at each school. I appreciate that you may not have this information - if not, you may omit it or supply the information that is available.

Please come back to me with any questions if further clarification is needed.

Yours faithfully,
