

NCC-044821-20 metal detecting areas

Dear Requester,

Further to your request for information under the freedom of information act. Can we refer you to our publically held information which states that you cannot use metal detectors on open access land, metal detecting will require the consent of a landowner wherever they are undertaking the activity.

I suggest joining a club, perhaps a search on the internet for clubs / contacts in Nottinghamshire? Or may be asking the local farmer / landowner.

We trust this now resolves your enquiry and where we have not been able to provide details we expect that this information is not held by Nottinghamshire county Council at this time.

We suggest all requesters search under our publication scheme in advance of requesting information under the freedom of information act.

Nottinghamshire County Council regularly publishes previous FOIR, s and answers on its website, under Disclosure logs. (see link) <http://site.nottinghamshire.gov.uk/thecouncil/democracy/freedom-of-information/disclosure-log/>

you can use the search facility using keywords. i.e. un regulated / care / home etc.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to the Team Manager, Complaints and Information Team, County Hall, West Bridgford, Nottingham, NG2 7QP or email complaints@nottscc.gov.uk .

Kind Regards

Complaints, Information & Mediation Officer Chief Executive's Department Nottinghamshire County Council
County Hall

Hello,

Could you provide if any, information on land that nottinghamshire council own that myself and 2 friends can have permission to mwtal detect on. And a map of the areas if possible.

Thanks in advance
