

Dear Requestor,

Thank you for your Freedom of Information Request.

The Council has responded to the questions asked under the Freedom of Information Act. FOI is used to request information that is held/recorded by Local Authorities about their activities; we have not responded to the survey which asks for opinions.

The Council is unable to provide information for the questions you have asked, however Public Health England have done some research into some of the differences in the impact COVID-19 that has been seen between different groups of people. Please see attached the Local Resilience Forum's recent section on BAME/covid-19 which you may find useful.

With regards to the additional questions asked, please see below:

1. What percentage of people diagnosed with Covid19 in your borough or service are from the BAME Community? [The Council does not hold this information.](#)

2. What percentage of people in your borough or service are from the BAME Community working in these professions? [The Council does not hold this information.](#)

3. JSNAs (Please write full name) provide the means by which local leaders work together to understand and agree on the needs of all local people, with the joint health and wellbeing strategy setting the priorities for collective action.

What is the average spend per service user by JSNA in your borough or service if a provider? [The Council does not hold this information.](#)

4. What is the total number of BAME confirmed Covid19 deaths at your Local Authority or service? [At present death certificates in the UK do not include ethnicity. This means that, unfortunately, the Authority cannot include ethnicity in the analysis of deaths for COVID-19 or any other cause.](#)

5. What is the total number of BAME confirmed Covid19 Births at your Local Authority or service? [The births data that Nottinghamshire County Council receives from NHS Digital does not at present include ethnicity of mother or child, and the legal birth registration process does not record ethnicity.](#)

I hope this now satisfies your request, and should you have any further enquiries please do not hesitate to contact me directly on the details below.

In addition to this and for future reference Nottinghamshire County Council regularly publishes previous FOI's and answers on its website, under Disclosure logs. (see link) <http://site.nottinghamshire.gov.uk/thecouncil/democracy/freedom-of-information/disclosure-log/>
