

Job Research Task

Try interviewing an adult about the career decisions they have made.

1. What job do you do?
2. What do you like / dislike about your job?
3. What made you decide to do that job?
4. If you could do a different job what would it be?
5. What did you want to be when you were at school?
6. How many different jobs have you had – including part time / volunteering?
7. What advice would you give to someone choosing a career?
