

## Freedom of information request NCC-045609-20

Thank you for your recent Freedom of information request for the following information:

I am interested in finding out the amounts paid by all Schools in Nottinghamshire County Council LEA in relation to temporary agency staffing cover.

My hope is to receive an electronic breakdown of amounts paid through the department's purchase ledger by school for the last academic year (September 2019 - July 2020)

Please can you supply the following information in an excel spread sheet format:-

School Name – URN or DFE number – agency/supplier name – total spend

If possible, please could the spend be broken down by Primary, Secondary and Special Needs schools?

Please see attached our response please note July spend is not available at present and we are not able to break the spend down by individual agencies or able to provide the names of the third party agencies as that information is held with individual schools and not the Council. Also, we are not able to break down the Agency Staff any further, it includes all staff other than teachers not just teaching assistants.

I trust this information is of assistance to you.

In addition to this and for future reference Nottingham County Council regularly publishes previous FOIR,s and answers on its website, under Disclosure logs. (see link)
