

Dear Requester,

Thank you for your Freedom of Information Request.

The Councils response is as follows:

Please can you send me a copy of the 'data protection record' and any correspondence to and from the Department of Health &/or Deloitte to obtain this data. I assume this will have been dealt with by the Director of Public Health, or they should be aware of its existence.

Please find attached documents which contain all the information NCC currently holds within scope of the FOI request.

1. 'Nottinghamshire County Council DSA Fully executed 14072020.pdf' is the final version of the data sharing agreement between Nottinghamshire County Council (NCC) and Public Health England (PHE). I believe this is what the Secretary of State meant by the "data protection record".
2. '20200622-20200714 NCC emails with PHE.pdf' and '20200622-20200626 NCC emails with PHE.pdf' contain relevant emails between NCC and PHE.
3. NCC has not had any correspondence with the Department of Health and/or Deloitte to obtain local COVID-19 testing data.
4. The other three documents are a PHE cover paper and earlier template versions of the data sharing agreement that were attached to emails from PHE.

You may also find the following links to the published gov.uk MSA data that will be updated each week useful :
