Sent on behalf of Personal Information, **Deputy Director Health Protection**

Dear Colleagues,

Further to [Personal Information] email and apologies for any crossover if you have recently provided this information. We would like to expedite your access to the data held centrally and notwithstanding the requirement for the data sharing agreements to be signed we have been advised the if you provided assurance to the 4 points below and a named individual they will be given access straight away.

1. in line with Articles 13 and 14 of GDPR, the Local Authority must ensure that their privacy notices are clear and provide sufficient information to the data subjects for them to understand what of their Personal Data is shared, details the rights of the data subject, the circumstances in which it was shared, the purposes for the data sharing and the identity of the Controller;
2. in line with Chapter 3 of GDPR, the Local Authority must have policies and procedures in place to comply with the rights of the data subject including but not limited to the rights of access, rectification and profiling;
3. in line with Article 5(1)(f) of GDPR, the Local Authority must ensure appropriate security of the Personal Data, including protection against unauthorised or unlawful processing and against accidental loss, destruction or damage, using appropriate technical or organisational measures; and
4. in line with Article 24 of GDPR, the Local Authority must ensure that they have implemented appropriate data protection policies across the organisation

Therefore can I ask you to provided assurance as requested in the original request and details of the individual (Full Name, Email address, contact number) you wish to access and draw-down the data from the SharePoint site. Assurance and details should be forwarded to

[Personal Information]

Please note there is still a requirement for the data sharing agreements to be signed and returned if have not already done so.

Best Wishes
