A small amount is maintained by the district council who deal with their own FOIR requests, these are;

- Mansfield District Council - lighting on car parks, non NCC adopted housing estates, shops and garages.
mdc@mansfield.gov.uk is the email for all freedom of information requests
- Gedling Borough Council – some car parks, footpaths in parks and some non NCC maintained housing areas.
<https://www.gedling.gov.uk/council/aboutus/dataandinformation/freedomofinformation/> online form
- Ashfield District Council – some housing estates in Ashfield.
foi@ashfield.gov.uk is the email for all freedom of information requests

I have also provided the link to our streetlighting web page

<https://www.viaem.co.uk/?s=street+lighting>

We trust this now resolves your enquiry and where we have not been able to provide details, we expect that this information is not held by Nottinghamshire county Council at this time.

We suggest all requesters search under our publication scheme in advance of requesting information under the freedom of information act.

Nottinghamshire County Council regularly publishes previous FOIR, s and answers on its website, under Disclosure logs. (see link) <http://site.nottinghamshire.gov.uk/thecouncil/democracy/freedom-of-information/disclosure-log/>

You can use the search facility using keywords. i.e. unregulated / care / home etc.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to the Team Manager, Complaints and Information Team, County Hall, West Bridgford, Nottingham, NG2 7QP or email complaints@nottsc.gov.uk .

Good Afternoon,

Can you prove me with a list of names and contact details (address, email or phone number), for any parish, town, district or borough council; or other organisation which operates streetlighting on the public highway within your area? This can exclude Highways England/Scotland/Wales, and any PFI or term contractors you use.

If this information is already published, please provide a link to the relevant information.
