Dear Requester

Thank you for your request for information about Town and Village Green Applications.

We are now able to provide the following information in response to your specific questions

1. How many Town and Village Green (TVG) applications has this local authority (LA) dealt with since 19 July 2006. Or if this not possible to obtain then the best you can do, but please specify the period of the search.

Nottinghamshire County Council has received 14 applications within the specified timeframe.

2. Of these TVG applications returned in 1, for how many was the Planning Inspectorate's opinion that the TVG application was excluded? In other words that a trigger event had occurred with no closing event.

None of these applications have been 'triggered' in respect of the response given by the Planning Inspectorate

3. Of these TVG applications returned in 2, for how many did the processing of the TVG application continue, in other words the LA ignored the Planning Inspectorate's opinion that any TVG application was excluded.

N/A

4. For the TVG applications returned in 3, please supply details of location, LA decision on the application and any appeal details i.e. court reference and outcome.

N/A

I hope that you find this information to be helpful, however if you are unhappy with the way in which your request has been handled, then please email us at foi@nottscc.gov.uk quoting the reference NCC-045965-20 and we will be happy to review your request
