

Thank you for your Freedom of Information Request.

The councils Response is as follows:

How many fines residents of Roland Avenue have been served each year since the bus plug came into operation?

174 PCNs have been issued to Roland Avenue since the bus gate went live in 2014.

As a point of correction to the FOI the Bus gate on Nottingham Road, Nuthall is not enforceable on bank holidays

I hope this now satisfies your request.
Please get in touch if you require any further information.

Yours sincerely,

Complaints and Information Team
