Dear Sirs,

Freedom of information request.

1. Please provide details of how many electively home educated children are known to your local authority as at 1st October 2020.

By electively home educated children, I mean children who are not on a school roll and who are not provided with education by the Authority, but whose parents provide that education for them.

My research is ascertaining data trends as a result of Covid 19 and it is important that the information provided relates to 1st October 2020. If data is not available for 1st October 2020, please provide the figure for the nearest date to 1st October and specify the date for which data is provided.

Please note that this data was previously obtained for 1st July and as it is the moving trend which I am monitoring, repeat of that figure is not suitable.

Yours Faithfully
