

Interview a Teacher or someone in work to find out about their job role as part of your research

Here are some examples of questions you could ask:

- What is your job title?
- Did you have an interview for this job role?
- How long have you been in your job role?
- What qualifications did you need to do your job?
- What is a typical day like in your job?
- What do you enjoy about your job?
- What is the most challenging thing about your job?
- What skills and qualities do you need to do your job?
- Do you work as part of a team?

You could do the interview face to face or choose another method to ask the questions for example over the phone.
