Good Morning,

I am contacting you with regards a Freedom of Information request for documents submitted for an Application (Ref: 1201) for a Modification Order of the Nottinghamshire PROW Definitive Map and Statement.

<https://www.nottinghamshire.gov.uk/planning-and-environment/walking-cycling-and-rights-of-way/rights-of-way/definitive-map-statement/modification-order-application-register/1201>

The modification order application register provides the attached application document for modification order 1201, that it was submitted on 25 September 2019, and is awaiting determination. However the application document states that: **“The ‘Submission’ in support of the application, which will be sent as digital files, includes a full list of the documentation included.”** These documents which I assume provide evidence for the modification order are not available.

I have already contacted the Public Rights of Way Land Searches Team and Commons, Village Green and Definitive Map Officer (*****). ***** informed me that the Modification Order Application

Register is not required to include copies of evidence submitted in respect of an application, however, I am entitled to request it under Freedom of Information Act 2000 regulations.

Therefore, please find this email as a request to obtain the other supporting documents in respect of Modification Order Ref: 1201.

Thank you in anticipation of your response.

Regards
