Dear [REDACTED]

Thank you for your recent request for information about Nottinghamshire County Council's proposal to replace Nottinghamshire's two tiers of local government with a single Unitary Council.

We are now able to provide the following information in response to your specific questions

1. What to Nottinghamshire County Council constitutes “a good deal of local support”?

Nottinghamshire County Council has run an engagement exercise to allow residents and stakeholders to share their views on potential local government restructuring. These views will be used to inform the development of the proposals. It will be for the government to decide whether the proposals meet the requirement of "a good deal of local support".

2. What metric will Nottinghamshire County Council use to gauge “a good deal of local support”?

See response to question 1.

3. The number of recorded responses gathered during the 'Your Nottinghamshire, Your Future' Public Consultation ending 21st of October.
