Dear

Thank you for your request for information about the consultation for introduction of the proposed Traffic Regulation Order 8309 in Cropwell Bishop. You specifically asked for a list of the addresses to which details of this plan were sent.

Please find the attached pdf document providing this information. You will see that some information has been redacted. This has been done to protect to personal information of some of those who received the information such as names and in one case what appeared to be a residential/domestic address.

I realise that this response is now being provided outside of the statutory timescale for provision of information requested under the Freedom of Information Act, and I apologise for this. I hope that the information remains relevant to you and that the delay has not caused you any difficulties.

I hope that this information is helpful to you and meets your requirements. However if you are unhappy with the way in which your request has been handled, then please email us at [foi@nottsc.gov.uk](mailto:foi@nottsc.gov.uk) quoting the reference NCC-047316-20 and we will be happy to review your request

With kind regards
