

Would you please let me have the following information.  
When was the building of the above named school completed please give month and year, and when was it opened please give month and year.

Thank you for your Freedom of Information Request.

The Councils Response is as follows:

As recorded on the property management system the original school building was built and opened in 1902. There also appears to be another building on site that was built and opened in 2003 which contains further classrooms, a hall, toilets and the kitchen. It doesn't say which month they were built.

I hope this now satisfies your request, and should you have any further enquiries please do not hesitate to contact me directly on the details below.

In addition to this and for future reference Nottingham County Council regularly publishes previous FOIR,s and answers on its website, under Disclosure logs. (see link)
