Application for Junior School Places (year 3)

If your child lives in Nottinghamshire and you require a junior school place, you must apply for a school place through Nottinghamshire County Council. This applies to children who are transferring from an infant school (year 2) to junior education (year 3) in September 2022. Further information on making an application can be found at

<https://www.nottinghamshire.co.uk/education/school-admissions>

Pupils who have an **Education, Health and Care Plan (EHCP)**, or **Statement of Special Educational Needs**, where this school is named will be admitted.

In the event of over subscription (more applications than school places), the following criteria will be applied,

in priority order, to determine which applications will be allocated.

Admission Criteria

In the event of over subscription, the following criteria will be applied, in priority order, to determine which application will be granted:

1. Children looked after by a local authority and previously looked after children

A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with section 22(1) of the Children Act 1989 at the time of making an application to a school.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). This includes children who were adopted under the Adoption Act 1976 and children who were adopted under section 46 of the Adoption and Children Act 2002.

Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

2. Children who attend the linked school, Manor Park Infants at the closing date for applications and who, at the time of admission, will have a brother or sister attending the school or the linked school Manor Park Infants.
3. Other children who attend the linked school, Manor Park Infants at the closing date for applications
4. Children who live in the catchment area at the closing date for applications, who do not attend the linked school Manor Park Infants but who, at the time of admission, will have a brother or sister attending the school or the linked school Manor Park Infants.
5. Other children who live in the catchment area at the closing date for applications and do not attend the linked school Manor Park Infants
6. Children who live outside the catchment area and who do not attend the linked infant school, Manor Park but who, at the time of admission, will have a brother or sister attending the school or the linked school Manor Park Infants
7. Children who live outside the catchment area

In the event of over-subscription in any criterion, where all applications are deemed equal, preference will be given to the child living nearest to the school 'as the crow flies', measured from the pupil's entrance of their main home to the main administrative entrance of the school using Nottinghamshire County Council's computerised distance measuring software.

Where two or more applicants are equal in all respects and it is therefore not possible to differentiate between them, a method of random allocation by drawing lots will be used to allocate places (supervised by someone independent of the school).

Late applications

Those received after the closing date.

Special circumstances

Consideration will be given to applicants who may establish *at the time of application* medical, special educational or social needs with supporting evidence from a relevant professional. The evidence must be presented at the time of application. Each case will be judged on its merits and the admission authority (The Governing Body) may accord a higher priority to the applicant.

The allocation of any such place will be determined by comparing the written evidence presented along with

the capacity for the school for the identified needs. In order to make an assessment of the case, reference may be made to local head teachers and other relevant professionals. Cases agreed under 'special circumstances' will take precedence over criteria 2 to 6 above.

Multiple births

Where a child of a multiple birth can be admitted, the other child/children will also be admitted in and outside the normal admissions round.

Waiting list

A waiting list of unsuccessful applicants will be held until 31st December and then discarded. If places become available before then offers will be made strictly in accordance with the order of priority listed below. Places on a waiting list can go up or down depending on applications. After the 31st December, parents can make a repeat application through the same route as given below:

www.nottinghamshire.gov.uk/admissions

Right of Appeal

If a place is not offered, parents have the right of appeal. Such appeals against refusal of a school place, will be heard by an Independent Appeals Panel formed in accordance with the DfE School Admissions Appeals Code. Appeals should be lodged within 20 school days from the date of notification that the application was unsuccessful. Details of the appeals process will be made available to all unsuccessful applicants at the time of refusal.

In Year Applications for Children other than into Year 3

We welcome applications for children to join us, either in September or anytime during the school year, who are older than initial school entry age (i.e. requesting entry into Years 3 to 6). In the event of over subscription the above criteria will apply.

Please contact the school office (0115 9652291) if you require any clarification on this or any other matter or would like to visit the school before submitting an application.

The Academy participates in Nottinghamshire County Councils fair Access policy and also participate in Nottinghamshire County Councils in-year co-ordinated scheme. Full details are available at:

www.nottinghamshire.gov.uk/admissions

Admission of Children Outside the Normal Age Group

Parents may seek a place for their child outside of the normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. Children should only be educated out of the normal age group in very limited circumstances.

Parents should submit a request in writing to the school as early as possible. The school's Admissions Committee will make decisions based on the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, the child's medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The views of the head teacher will also be taken into account. When informing a parent of the decision on the year group to which the child should be admitted, the parent will be notified of the reasons for the decision. The school will communicate its decision to Nottinghamshire County Council who will notify the parents of the decision.

Where it is agreed that a child will be admitted out of the normal age group and, as a consequence of that decision, the child will be admitted to a relevant age group (i.e. the age group to which pupils are normally admitted to the school) the local authority and admission authority **must** process the application as part of the main admissions round on the basis of their determined admission arrangements only, including the application of oversubscription criteria where applicable. The parent has a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

Transfer to secondary school

Where a child has been educated out of the normal age group it is the parent's responsibility to again request admission out of the normal age group when they transfer to secondary school. It will be for the admission authority of the preferred school to decide whether to admit the child out of the normal age group. The admission authority must make a decision on the basis of the circumstances of each case and in the child's best interests, and will need to bear in mind the age group the child has been educated in up to that point.

Fair Access Protocol

Sir John Sherbrooke Junior School participates in the Nottinghamshire Fair Access Protocol which includes the admission of vulnerable children in collaboration with the local authority.

Appendix:

Definition of Looked After Children

A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with section 22(1) of the Children Act 1989 at the time of making an application to a school.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). This includes children who were adopted under the Adoption Act 1976 and children who were adopted under section 46 of the Adoption and Children Act 2002.

Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians)

Definition of siblings

- a brother or sister who shares the same parents
- a half-brother, half-sister or legally adopted child living at the same address
- a child looked after by a local authority placed in a foster family with other school age children
- a stepchild or children who are not related but live as a family unit, where parents both live at the same address as the child.
