Dear

Thank you for your request for information under the Freedom of Information Act. You asked:

**I would like to know what areas are included in the “Greater Nottingham” area and where I can access details about population size and other basic demographic details. Could you point me in the right direction of an appropriate reference source please?**

We are now able to provide the following information in response to your request

We find that the best source of info on Greater Nottingham is the Nottinghamshire Insight website which includes a definition and demographical data. It’s maintained by the City Council alongside ourselves and defines Greater Nottingham as follows:

“Greater Nottingham is defined as the Greater Nottingham Partnership area (Broxtowe, Gedling, Nottingham and Rushcliffe Districts and the Hucknall part of Ashfield District).”

Here is a link to the most recent population data:

I hope that you find this information to be helpful, however if you are unhappy with the way in which your request has been handled, then please email us at [foi@nottscc.gov.uk](mailto:foi@nottscc.gov.uk) quoting the reference NCC-049190-20 and we will be happy to review your request

With kind regards
