FOUNDATION DETAIL

ALTERNATIVE FOUNDATION DETAIL IN PAVED AREA

NOTES:

1. All dimensions are in millimetres unless otherwise stated.
2. Where directed painting shall be white masonry paint on posts and railings to be painted using 'Finnegan's' or similar galvanised metal primer plus top coat of white 'Hammerite' using a second coat where required within 3 hours. Paint to be applied in accordance with manufacturers recommendations.
3. Edge of excavation to be used as formwork for grade C15 concrete foundation up to 150mm of existing ground level. To be 'topped off' using 'as dug' topsoil from excavation.
4. Where brook railing posts are to be set in paved or concreted areas the alternative foundation detail to be used.
