Dear Requester

Thank you for your request for information about how many times Ashfield MP Lee Anderson has reported pot holes or other road defects to Nottinghamshire County Council over the last three years.

We are now able to provide the following information in response to your request:

The following table is based on a report run from information held in the authorities Highway Asset Management System (HAMS), broken down by HAMS subjects and the associated financial year. We have provided a complete list as the term 'road defects' is open to interpretation and hence this may be of more use. This information is a complete list of the enquiries directly raised by the MP and identified as such separately in HAMS.
