

Dear Requester

I refer to your recent Freedom of Information request:

I am writing to request information under the Freedom of Information Act relating to a road your authority is responsible for maintaining.

Specifically, my query relates to the Mansfield Road, with the nearest postal address of "██████ 25 Mansfield Road, Papplewick, NOTTINGHAM, NG15 8FH, as outlined on the photo below (with included Latitude and Longitude).

Please can you send me:

- 1) A copy of your current road maintenance policy relating to that road. Please send me the full policy, but this should include details of the intended frequency of road safety inspections, how these inspections should be conducted and the maximum time between identification of a defect and repairs being carried out.
- 2) A copy of the road repair history for that road over the past year. Again, please send me the full road repair history, but this should include:
 - dates of all safety inspections between 7 December 2020 & 6 February 2021.
 - details of how safety inspections were undertaken (walked or driven, speed of inspection vehicle, etc).
 - details of all carriageway defects identified, with description, date and time.
 - details of how the authority handled these defects, what repairs were undertaken and the time between the identification of each defect and a repair being carried out.

The response is as follows;

Further to your enquiry regarding Mansfield Road, in the vicinity of Papplewick and the authority's current road maintenance policy.

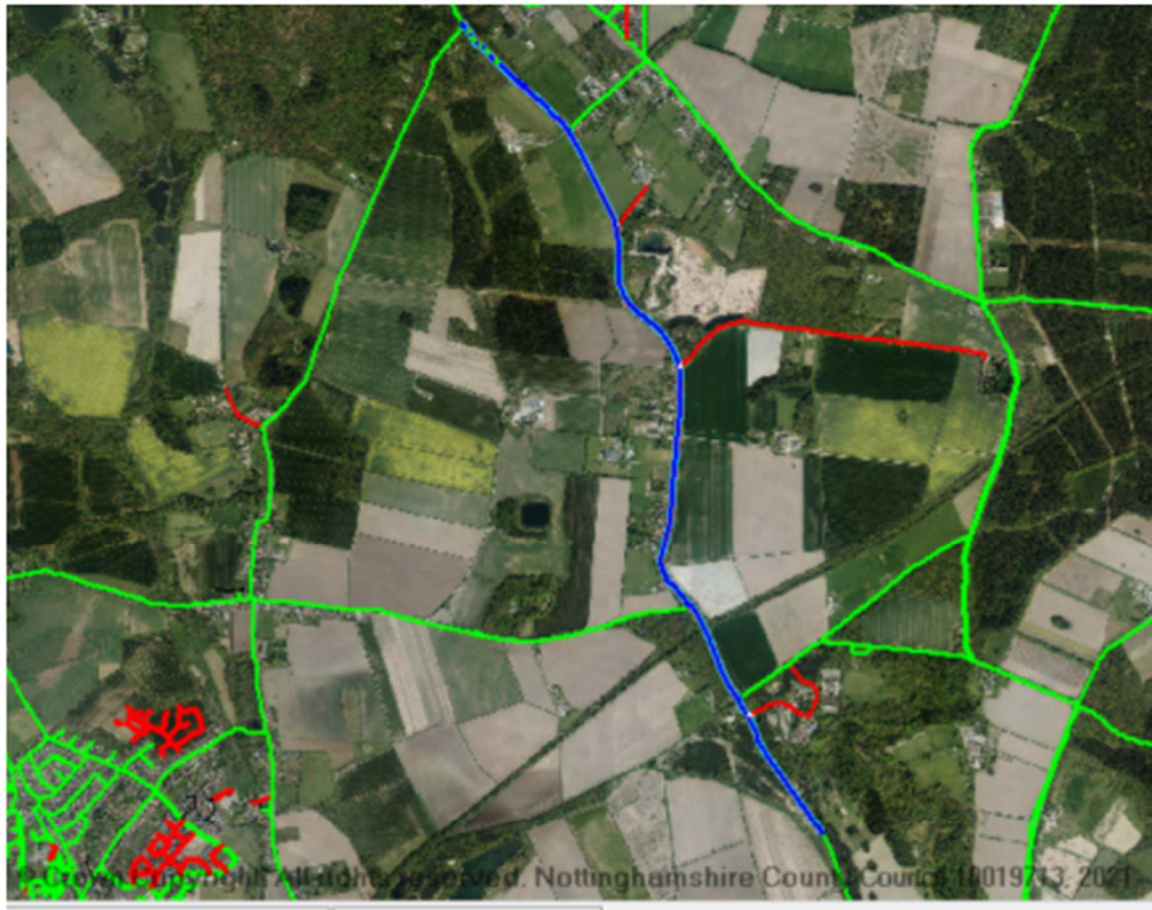

Please refer to the County Council's Highway Inspection & Risk Manual which covers the information being requested and can be found at:

<http://www.nottinghamshire.gov.uk/transport/roads/highway-inspection-manual>

Regarding the second part of your enquiry, Nottinghamshire County Council utilise a Highway Asset Management System(HAMS) to manage and support the maintenance activities on the Highway. The following information and attached report have been produced from this system.

Please find Street History report attached for Mansfield Road, Ravenshead (USRN 15003276, Feature 2000), for the period requested (07/12/2020 to 06/02/2021)

The Street Section covered is detailed on the plan below (blue), along with Hierarchy and Inspection Frequency information. Cross referring to the HIRM will explain notation in the report:

ACOP - Carriageway Hierarchy	1 - Resilient Network
ACOP - Footway Hierarchy	Local Access Footways
Carriageway Inspection Frequency	Monthly
Footway Inspection Frequency	Annual (once a year)

I hope this assists. Should you have any further enquiries please do not hesitate to contact me directly on the details below.
