

Don't chuck this in to the long grass!

£18million spent on a building!

THINGS GOING WELL

INJUSTICE!

THINGS THAT NEED TO CHANGE

2pm is a difficult time for carers

11-1pm sometimes easier

We have expertise! Work with us!

Shared Lives

But:
✓ understaffed
✗ no respite for years

Assessments/ Services/systems add to stress

Mental health impacted

CARERS: training for recruitment

Need for continuity

CANNOT TRUST

Data shared!

Maybe you should go for a walk?

RURAL: Bassetlaw = high need
Difficult to get support

Offer skilled support?

You are amazing for doing all you do

Lack of prep!

Delayed payments

Struggling

Wasting hours on phone

Is there a strategy to stop us getting a service?

MAKE IT inviting & accessible for all of us!

Working 10 hour days
£11,000 for a shower

What I had to do to get here today!

✗ Internal Communications

♥ Autism
East Midlands
Day Activities

Transition to adulthood

Once Care Package set up it worked well
Lost system confusing, Not knowing

Give us a call!

Communication goes a long way

Carers pay rates low

There is no one to facilitate your son

NOT VALUED
I am made to feel insignificant... as if we are just not a priority

♥ Learning
Disability Partnership Board = system of accountability

Don't send impersonal messages

No named contact

You have to ask for an assessment now...

WHAT MEETING?

How do we access decision making forums now?

Need Councillors on board

Personal invites from people we know

I worry about the future

Change in staff = process lost in system & I have to start again, explain again.

NO HANDOVER

CO-PRODUCTION? you only use it when it suits you

WHAT IS CO-PRODUCTION?

Leadership to invite us to improve things because we're not doing it right....

I want to move in to my own place

Learning disability

PRIORITISE CONTINUITY

A Named Person
A reminder of Care Assessments
Keep us informed

Co-create transport etc...

I thought I would see social services at the Drop-In but it turned out to be

How can I help?

CUSTOMER SERVICES!

What is the mechanism for holding you to account?
