Other investment the local authority plans to make in SEND capital up until 2021		Total planned expenditure on projects: other funding up until 2021	£14,525,000

The local authority is required to consult parents and carers to receive their allocation. Local authorities should use the box to the right to confirm that they have consulted with parents and carers about their plan and projects and complete the 'Consultation form' below.

The local authority has consulted parents and carers

Project information form

Provision					Investment in additional places (£)		Number of additional places			Investment in facilities (£)		Total (£)	Additional Information about each project	
Provision URN	Provision name and address	Provision category	Ofsted Judgement	Age range for project	Special provision fund investment in additional places	Other investment in additional places	Special provision fund additional planned places	Other investment additional planned places	Total additional planned places	Special provision fund investment in facilities	Other investment in facilities	Total investment in project	Type of SEN or disability that project is designed to meet.	LAs should use this section of the table to set out more details about the aims of the project. Beyond this further information can be listed in their strategic plan or directly on their local offer page.
122957	Ash Lea	Special Provision	Good	Primary, secondary and post-16		£1,250,000		20	20		£250,000	£1,500,000	All types	2 Floor extension completed in 2018.
122953	Carlton Digby	Special Provision	Outstanding	Primary, secondary and post-16		£25,000		12	12			£25,000	All types	Minor alterations and changes to planning conditions. This element was completed in 2018-19
130996	Newark Orchard	Special Provision	Good	Primary, secondary and post-16	£3,138,000	£13,000,000	40	100	140			£16,138,000	All types plus a specialist ASD and SEMH provision	This school will be rebuilt and extended to 140 places, with the potential for further expansion to 170 places. The project has begun and is due to complete and open in Sept 2020.
140549	Magnus Church of England Academy	Special unit or resourced provision	Good	Secondary	£150,000		8		8			£150,000	All types though predominantly ASD and SEMH	Short / medium term provision. Equivalent to 8 FTE places (some maybe part-time). Resource for local schools rather than just the school on site. Supported by the existing partnership arrangements between schools to identify suitable children and young people. Children and young people attending are not required to have EHCPs. Purpose of the provision is to prevent escalation to a special school placement but integration back into their mainstream setting.
140854	The Beech Academy	Special unit or resourced provision	Good	Primary, secondary and post-16	£250,000		8		8			£250,000	All types though predominantly ASD and SEMH	Short / medium term provision. Equivalent to 8 FTE places (some maybe part-time). Resource for local schools rather than just the school on site. Children and young people attending will require an EHCPs. Purpose of the provision is to prevent escalation to a special school placement but integration back into their mainstream setting.
139956	The Hoigate Academy	Special unit or resourced provision	Requires Improvement	Secondary	£150,000		8		8			£150,000	All types though predominantly ASD and SEMH	Short / medium term provision. Equivalent to 8 FTE places (some maybe part-time). Resource for local schools rather than just the school on site. Supported by the existing partnership arrangements between schools to identify suitable children and young people. Children and young people attending are not required to have EHCPs. Purpose of the provision is to prevent escalation to a special school placement but integration back into their mainstream setting.
138832	Alderman White School	Special unit or resourced provision	Good	Secondary	£150,000		8		8			£150,000	All types though predominantly ASD and SEMH	Short / medium term provision. Equivalent to 8 FTE places (some maybe part-time). Resource for local schools rather than just the school on site. Supported by the existing partnership arrangements between schools to identify suitable children and young people. Children and young people attending are not required to have EHCPs. Purpose of the provision is to prevent escalation to a special school placement but integration back into their mainstream setting.
Various	Pupil specific adaptations to academies to ensure access for children and young people with SEND	Mainstream provision (not unit)		Primary and secondary					0	£331,432		£331,432	All types	Request for the use of the SPCF for this purpose was agreed in correspondence with the DfE prior to Children and Young People's Committee approval in June 2019. 17 children and young people benefitted from the adaptations directly, but any adaptations help to future proof the schools for future pupils with disabilities.
136627	Carlton le Willows Academy	Special unit or resourced provision	Good	Secondary	£152,511		8		8			£152,511	All types though predominantly ASD and SEMH	Short / medium term provision. Equivalent to 8 FTE places (some maybe part-time). Resource for local schools rather than just the school on site. Supported by the existing partnership arrangements between schools to identify suitable children and young people. Children and young people attending are not required to have EHCPs. Purpose of the provision is to prevent escalation to a special school placement but integration back into their mainstream setting.
