Nottinghamshire Children's Centre Service

Nottinghamshire's Children's Centre Service provides early help and targeted services for expectant mums and dads, children under the age of 5 and families with children aged under 5.

We want to give children
in Nottinghamshire the best start in life.

...giving children
the best start

Our website has lots more information about the service and includes online forms if you're a parent who would like to request a service, or if you are a professional and want to refer a family you work with. For more information, please visit

www.nottinghamshire.gov.uk/childrenscentreservice

or check out our Facebook pages.

Our workers have expertise in family support, developing parenting skills, promoting health and wellbeing, early years development, communication and language and supporting parents to be ready for work. The service works with partner agencies to ensure we support families in whatever area they need.

The service delivers work to enable:

- Children and families to be happy and healthy
- Children to be ready for school and achieve developmental milestones
- Children to be safe and families are supported as early as possible
- Parents to have high aspirations and are supported to be work ready

Where do we deliver our service?

The service is provided in family homes, community venues, local parks and dedicated Children's Centre buildings.

Each team has its own timetable of weekly activities and support programmes, including appointments in the home, which vary according to the needs of the local area.

Qualified Children's Centre Service workers offer one-to-one or group support with:

- having a healthy pregnancy
- preparing for a baby
- attachment with your baby
- children's development, including listening, speech, language and communication
- playing with your child

- the emotional health of you or your child
- children's behaviour
- feeding your child
- increasing your confidence and skills to help you get a job
- volunteering opportunities
- preparing for nursery and school
- help with childcare
- reducing parental conflict
- health and wellbeing
- money management

Children's Centre volunteers offer one-to-one or group support through:

- BABES breastfeeding peer support groups
- Under Ones groups
- Stay & Play groups for under fives

We really value our volunteers - there are lots of opportunities to volunteer with us. If you would like to find out more about volunteering, please speak to a member of staff at your local Children's Centre or email us (details on the back of this leaflet).

How to contact us:

The service is available across Nottinghamshire and is split into teams, each led by a co-ordinator.

You can check out our webpages at

 nottinghamshire.gov.uk/childrenscenreservice

call or email us or just walk in to one of the dedicated Children's Centre buildings.
