ADMISSIONS ARRANGEMENTS

2023 - 2024

Written in February 2022 following the new School Admissions Code which came into force on 1st September 2021 with immediate effect.

Christ Church CoE Primary School

The school participates in Nottinghamshire's Fair Access Protocol.

ADMISSION ARRANGEMENTS 2023 - 2024

The published admission number (PAN) is **30 children** per year. In the event of over-subscription, all applications for the Reception year (FS2) will be considered in accordance with the admission criteria, as set out below.

Admission of children outside the normal age group

All Reception children will be admitted full time at the beginning of the Autumn term, Parents can request that the date their child is admitted to school is deferred until later in the academic year or until the term in which the child reaches compulsory school age, and parents can request that their child takes up the place part-time until the child reaches compulsory school age.

Parents may seek a place for their child outside of the normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to Reception rather than Year 1.

In these circumstances, Nottinghamshire residents should submit a request in writing to Nottinghamshire County Council's school admissions team as early as possible.

Designated Officers will make decisions based on the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, the child's medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

The views of the head teacher of the school will also be taken into account.

When informing a parent of the decision on the year group to which the child should be admitted, the parent will be notified of the reasons for the decision.

Where it is agreed that a child will be admitted out of the normal age group and, as a consequence of that decision, the child will be admitted to a relevant age group (i.e. the age group to which pupils are normally admitted to the school) the local authority and admission authority must process the application as part of the main admissions round on the basis of their determined

admission arrangements only, including the application of oversubscription criteria where applicable.

Transfer to junior and secondary school: Where a child has been educated out of the normal age group it is the parent's responsibility to again request admission out of the normal age group when they transfer to junior secondary school. It will be for the admission authority of the preferred school to decide whether to admit the child out of the normal age group. The admission authority must make a decision on the basis of the circumstances of each case and in the child's best interests, and will need to bear in mind the age group the child has been educated in up to that point.

APPLICATIONS

Applications must be made on the **Common Application Form**. The common application form must be returned to the home local authority.

All applicants are invited to complete a *Supplementary Application Form (SAF)* to determine which applications need to be considered in accordance with the denominational faith criteria included below. This supplementary form should be returned directly to the school.

The offer of a school place will be made by the Local Authority to all parents on the 'offer day' set out in the co-ordinated scheme.

The school operates a waiting list for its intake year group in partnership with Nottinghamshire LA. This is kept and prioritised following the oversubscription criteria until the end of the first week of the spring term. The Local Authority maintains waiting lists until the end of the autumn term.

Children who have a statement of special educational need or an Education Health Care Plan [EHCP] which names the school will be admitted which will reduce the number of places available to other applicants.

Our procedures will not disadvantage children who arrive in our area outside the normal admission round.

Supplementary Application Form (SAF)

Applicants who wish for church commitment to be taken into consideration as part of their application should also complete a **Supplementary Application Form**, which is available at the end of this document. The Supplementary Application Form must be completed **in addition** to the Nottinghamshire application form and returned directly to the school at the time of application.

ADMISSION CRITERIA (in order of priority)

Special Circumstances

The following groups of children will be given special consideration in their application to the school:

The evidence must be presented at the time of application. The governing body will consider each case individually.

Cases agreed under 'special circumstances' will take precedence over all but the first of the numbered criteria.

IN- YEAR ADMISSIONS

Christ Church CE Primary School participates in Nottinghamshire County Council's in-year coordinated scheme.

All in-year admissions to Christ Church must be made through Nottinghamshire County Council (NCC). Please refer to their website for guidance on how to apply and how an application is processed:

<https://www.nottinghamshire.gov.uk/education/school-admissions/changing-school>

Please Note:

- Applications can be made up to 6 weeks, or during the preceding school half term, before the required start date
- Applications must be made by a person with parental responsibility
- NCC recommend that you state up to 4 preferences, starting with the school you most prefer
- The application will be processed in line with NCC's coordinated scheme and your child should continue to attend their current school until an admission date has been agreed.
- If your request for a school place is refused, you will have the right to an independent appeal. Full details will be provided with the outcome of your application including information about how to appeal.
- Parents must be notified of the outcome of their in-year application in writing with 15 school days; but NCC will aim to do so within 10 school days.

LATE APPLICATIONS

Late applications will be processed in-line with the Nottinghamshire Coordinated Scheme. Full details are available at www.nottinghamshire.gov.uk/schooladmissions

RIGHTS OF APPEAL

The deadline for lodging appeals allows for at least 20 school days (from the date of notification that the application was unsuccessful) for parents / carers to prepare and lodge their written appeal.

When mid-year requests for admission are refused, the applicants will be informed in writing of the reasons together with their rights of appeal.

The parent has a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.
