2. Nominees must be at least old enough to be in Year 6 at school and no older than 19 (the maximum age for disabled young people is 24). Please note this year we will be accepting group nominations.
3. Young people should be nominated because they have achieved at an outstanding level within their own personal boundaries, either as an individual or as part of a group.
4. The young person/s and their parent or guardian (if aged under 18) gives consent to be involved in media coverage relating to the award. **Please note images and video footage will be circulated on our social media platforms following the nominations.
