

The C Card Scheme Nottinghamshire

Training Programme

2022 - 2023

Welcome to the C Card Scheme Nottinghamshire's Training Programme for 2022-23

Reducing teenage pregnancy and sexually transmitted infections amongst young people in Nottinghamshire remains a key priority.

The C Card Scheme is a free sexual health advice and condom service for young people aged 13-25. It allows young people to gain access to condoms, lubricants and get advice on sex, STI's, relationships and more.

Our C Card Training Programme enables professionals who work with young people aged 13-25 across Nottinghamshire, to become a C Card Worker and a C Card Site. In turn, this will allow young people to access free confidential sexual health advice and condoms from a range of settings in Nottinghamshire.

In addition to the selection of training courses listed in the following programme, the C Card Team is also able to offer the same courses on an '**in house**' basis, if required. This training can be delivered at a time and venue convenient to each organisation.

For further information on 'in house' training or on any of the courses listed here, please don't hesitate to contact Jenny Harrison, jenny.harrison@nottscc.gov.uk from the C Card Scheme to discuss.
